

# NORTH CAROLINA ALLIANCE FOR HEALTH

## BACKGROUND

The North Carolina Alliance for Health (NCAH) is an independent, statewide, nonpartisan coalition of individuals and organizations

### MISSION

Convene, mobilize, support, and empower partners to advance equitable policies that reduce health disparities, prevent chronic disease, and promote health

### VISION

All North Carolinians will live healthier lives, protected by strong health policies that prevent chronic disease

## OUR STRUCTURE

NCAH has 6 work groups, which meet monthly to explore and discuss emerging issues, data, research, and policy opportunities related to our priorities

NCAH also hosts 3 committees, which meet twice annually to set the policy agenda for the coming year

## POLICY PRIORITIES

**Increase access to healthy food and reduce food insecurity**

**Increase opportunities to be physically active**

**Increase access to tobacco use prevention and cessation programs and services**

**Reduce inequities and barriers to health**

## OUR APPROACH

**Convene** - We bring people together for discourse and action

**Mobilize** - We activate advocates to advance state-level equitable health policies

**Support** - We create and distribute tools and resources about our priorities

**Empower** - We offer trainings to help partners hone their advocacy skills
