

# Physical Education: What Are Parents Saying?

**"They love PE and wish they could have it everyday!"**

**"It's shameful that with childhood and adult obesity rates soaring, we as a nation are not rededicating ourselves to PE."**

**30.9%**

Of children ages 10-17 are overweight or obese

**"PE isn't just being active, it's also [about] learning to work with others on a team."**

**"[My daughter] enjoys learning about and experiencing sports she might not have been exposed to otherwise."**
